Further update is that I've connected with the agency's various organizers for today, as well as the building security officer in charge, and left my card in case I can help with anything.

I'm told about 210 individuals are scheduled to give comments throughout this hearing, with Illinois AG Lisa Madigan at 11am and the Governor of Washington State at some point today.

More people are starting to come in.

I'm now back in the office on 19.

FYI. This am I've been on 3rd floor/GSA conference room to connect w Clint Woods before the ACE hearing and see if anything needed. Had a good follow up chat with Clint and his counsel re Sterigenics. Region 5 is providing support for the ACR hearing.

Clint started the hearing a few minutes ago. 33 attendees present.

API was the first to provide comments.

Jeff mentioned there might be a rally at noon across the street. Marc Colvin of RMD said they haven't seen a permit issued for a public rally there as yet.
